

Summary of the University Committee for Research and Innovation meeting (UCRI) held on 28 November 2023

Please see below a brief summary of the main topics of discussion at the recent meeting of UCRI:

Main topics of interest:

At this meeting we:

- Reviewed and approved the CRI recommendations for Annual Research Equipment and Infrastructure Funding. All approved applications will be funded using Research England money.
- Made the final comments on the Research Culture report before it is presented to UEB in December.
- Discussed the 5 year PGR students targets which will be submitted to the Planning and Change Board in January.
- Commented on the proposed arrangements for the UOA Leads appointment process and agreed a pre-call announcement in December prior to the launch in early January.

In other news we:

- Considered the draft research income paper for UEB.
